Introduction & Background

Welcome to the Pattaya International Ladies Club (PILC). Whether you have just arrived in Thailand or have lived here for a number of years, the PILC has something to offer everyone. The PILC

is a group of International women coming together to share their diversity. By pooling their time, talents and treasures, women in this club have improved the lives of thousands of individuals in the community. For nearly 20 years, they have provided food, scholarships, education, healthcare and shelter to hundreds of deserving individuals.

The PILC was established in 1987 with a small group of 30 ladies and has now increased to the present day membership of over 185 ladies representing 31 nationalities. With expansion of the club, the range of activities and the amount of money raised for charitable causes has increased. We look forward to the many talents you can add to our club and welcome you to the Pattaya International Ladies Clubs social events.

Objectives of the Club

PILC provides members with opportunities to meet new friends, to participate in activities and to assist local charitable organizations. Moving to a new part of the world in

never easy, especially to unfamiliar surroundings away from family and friends. Women, who previously had a busy life, whether bringing up a family of working, can suddenly find themselves with lots of spare time.

The lunches and coffee mornings are friendly social events with guest speakers and information on up coming events. Our venues are listed in our monthly newsletter, Tropic Topics. You can also find out about the next venue through the local newspapers or by contacting us at pilc262@yahoo.com or by mail at Pattaya International Ladies Club, P.O. Box 262 Pattaya Post, Chonburi 20260 Thailand or www.pattaya-pilc.com

Welfare Committee

The welfare committee acts as a support group to provide both assistance and financial help to different organizations in the community. Last year alone the PILC distributed a considerable amount of money toward scholarships, health care, dental

work, eye care and the renovation of local schools. Without the help of our members and the generous support of our sponsors this would not be possible. If you wish to get involved in the on-going welfare projects or just to get more information contact us at pilc262@yahoo.com.

Membership:

To join PILC contact us at pilc262@yahoo.com or look in the local papers under up-coming events to see where the next Coffee morning or Lunch will be held. Join us at one of these events and sign up for only 800 baht a year. With your membership you will receive our monthly newsletter the Tropic Topics our Ladies Club Directory and receive discounts at many local establishments.

Special Events:

The Pattaya International Ladies Club holds two major charity events each year. The Special Events Committee puts together one of the largest Holiday Bazaar's in Thailand the first Saturday of October and Gala Ball in November. These major events provide the majority of the funds raised for the

forthcoming year for distribution to the many charitable organizations within Pattaya and the surrounding areas. They are also fun, social events for our members and the community to enjoy. Many volunteers are needed to make these

events a success. If you will be living in Pattaya or visiting for an extended period of time and would like to help with one or both of these events, please let us know at pilc262@yahoo.com.
